Pav GW Investigation - Paulson Prebrief - 30Aug2012 - v5_abg.pptx

I've updated the draft presentation based on the pre-brief call, Jim's and Dave's comments. Deb helped me work through Jim's comments, and Dave and I came up with a plan related to his comments. Holly, do you have anything else?

Deb,

I updated the attached with your comments below. Holly also had some updates to the QA pages. To avoid multiple copies, I am not going to send to the whole group until after the meeting and all comments are given.

Cindy will be on the phone but in transit, so Alice will lead the call and tee up the slides for Dave and Holly to speak to.

Just noticed on the slides that the footers on the slides and Notes Page are not consistent. Some slides say "Draft/Deliberative", some add the word "Confidential" and some of the Notes Pages have footers that say "Enforcement Conidental" with confidential misspelled.
